# GRADUATE SCHOOL 2026

Advancing Global Health through Bioelectrochemistry: From Sustainable Bioproduction to Environmental and Biomedical Monitoring

September 13<sup>th</sup>-16<sup>th</sup>, 2026, Porquerolles Island, France

followed by

# XIX<sup>TH</sup> GFB MEETING

GROUPE FRANÇAIS DE BIOÉLECTROCHIMIE

September 16<sup>th</sup>-18<sup>th</sup>, 2026, Porquerolles Island, France

INFORMATION AND PROGRAM

[www.bioelectrochimie.fr](http://www.bioelectrochimie.fr)

Registration fees including accommodation, lunches and dinners

Graduate School + Meeting: PhD and Post Doc 550 €, Permanents 790€

Meeting: PhD and Post Doc 300 €, Permanents 450€

# GRADUATE SCHOOL 2026

Basic concepts and collaborative workshops  
dedicated to PhD, Technicians, Researchers

## TOPICS

### Analytical Foundations in Bioelectrochemistry

Lecturers

F. Lemaître (ENS, Sorbonne Université, Paris)

Benoît Limoges (Univ. Paris Cité, Paris)

### Biotechnology for Sustainability

Lecturers

B. Erable (Univ. Paul Sabatier, Toulouse)

T. Bouchez (INRAE, AgroParisTech, Univ. Paris Saclay)

E. Lojou (CNRS, Univ. Aix-Marseille)

### Advances in Bioelectrochemistry: Sensors and Interfaces for Health

Lecturers

P. Mailley (CEA LETI, Grenoble)

E. Ismailova (Ecole des Mines, Saint-Etienne)

J. Vidic (INRAE, AgroParisTech, Univ. Paris Saclay)

E. Benevent (Univ. Aix-Marseille)

# XIX<sup>TH</sup> GFB MEETING

## GROUPE FRANÇAIS DE BIOÉLECTROCHIMIE

## TOPICS

(Photo)electrochemistry of proteins and biomimicry

Modified electrodes and biosensors

Biochips and integrated systems development

In situ and in operando bioelectrochemistry

Bioelectrosynthesis

Electrochemistry of cells and tissues

Biofilms and bio-corrosion

### Invited Speakers

**Nicolas Brun** (ICG, Montpellier, France)

**Julea Butt** (Univ of East Anglia, UK)

**Stefano Cinti** (Univ. Naples, Italy)

**B. Erable** (Univ. Paul Sabatier, Toulouse)

## PRACTICAL INFORMATION

**LOCATION** Village Club IGESA, île de Porquerolles Rue de la Douane, Île de Porquerolles 83400 Hyères

**DATES** Abstract Submission Deadline May 31<sup>th</sup>, 2026, Registration deadline June 30<sup>th</sup>, 2026
